PC:

By this petition the petitioner has made several prayers regarding grant of higher scale as was granted to other employees of the Municipal Corporation. We need not go into the merits of this case at this stage, because representation made by the petitioner on l16.10.2000 is not yet decided. By this representation the petitioner made a complaint that Municipal Corporation of Sangli, Miraj and Kupwad has by resolution dated 19.10.2002 obtained sanction of the State to pay higher scales to two of its employees. Accordingly sanction was received on 20.6.2005 and the demanded scale was given to those two persons. In our opinion, the representation of the petitioner made on 16.10.2000 is required to be decided in the light of the resolution dated 19.10.2002 and the sanction granted by the Government on 20.6.2005. The respondent corporation will decided this representation as early as possible preferably in three months.

Petition accordingly disposed of.
